Ghorasahan, East Champaran
Bihar, India

Soft Skills

- Problem Solving
- Communication
- Team Work
- Honesty

Hard Skills

- Programming
- Data Structure & Algorithm
- Full Stack Web Development
- Full Stack App Development
- Robotics

Technical

- C/C++
- React
- React Native
- Node Js
- SQL/noSQL
mysql, postgresSQL, MongoDB
- OS & Networking
- OOPS

Languages

- English
- Hindi
- Bhojpuri

Interests

- Coding
- Development
- Artificial
- Intelligence
- Gaming
- Poetry

Projects

2023

Ecommerce App [BuyBold]

It is a recent startup of senior students in which I also get a chance to contribute. I have contributed in building the app and made Delivery and Alert System based website for the BuyBold.

github link: https://github.com/nilarnab/buyBold_RestApi

2022

Autonomous Robot [Line Follower]

Worked in a team of 4 students and made a Line Follower Robot from the scratch. Also Participated In the Zonals Techfest Conducted by IIT Bombay.

2022

CarGo(App) [Hackathon]

It was a two day Hackathon conducted by MNIT Jaipur. Grabbed 4th position in the College. The App was made on the idea of renting Car and adding some new features.

2022

Department day Ideathon [Robotics in Medical Field]

Got a chance to give idea on recent problem in the field of Medical. I grabbed the 1st position in MNIT Jaipur along with cash Prize and certificate
